

BRIGHTON

GO Barons!!

GO Barons!!

The football booster club helps to support coaches, equipment for the weight room & practice, team pizza parties, yearend banquet, coach gifts, team trophies, gifts to seniors, coach's lift at away games and video with video scouting service of all rival teams. The school football budget does not cover these items. Last year we also purchased pants for the modified team. Please join with the donation you can afford.
